

## Create Your Own Omelet

Cost/Serving: \$0.45

Yield: [1 serving] / Serving Size = 1 omelet

Ingredients:

¼ to 1/3 cup filling

1 teaspoon butter

2 eggs

1 tablespoon milk or water

Salt and pepper to taste

Herbs (optional)

Directions:

1. Prepare the filling. A basic rule of thumb is that you need one quarter to one third cup of filling for every two eggs. If you are using a filling that needs to be cooked — such as apples, mushrooms, onions, peppers, leeks — quickly sauté in a small frying pan. If you are making a cheese omelette, either slice the cheese thinly or grate it finely and put aside.
2. Crack the eggs into a small mixing bowl. Stir gently with a fork until well-beaten. Add the milk or water, salt and pepper, and any herbs, and set aside.
3. Heat a 6- to 8-inch pan over high heat until very hot (approximately 30 seconds). Add the butter, making sure it coats the bottom of the pan. As soon as the butter stops bubbling and sizzling (and before it starts to brown), slowly pour in the egg mixture.
4. Tilt the pan to spread the egg mixture evenly. Let eggs firm up a little, and after about ten seconds shake the pan a bit and use a spatula to gently direct the mixture away from the sides and into the middle. Allow the remaining liquid to then flow into the space left at the sides of the pan.
5. Continue to cook for another minute or so until the egg mixture holds together. While the middle is still a little runny, add the filling. Put in sautéed vegetables or fruit first, near the center, then sprinkle any cheese on top.
6. Tilt the pan to one side and use the spatula to fold approximately one third of the omelette over the middle. Shake the pan gently to slide the omelette to the edge of the pan.
7. Holding the pan above the serving plate, tip it so the omelette rolls off, folding itself onto the plate. The two edges will be tucked underneath.

Filling suggestions: grated cheese, chopped cooked ham or other chopped cooked meat, chopped vegetables (green pepper, onion, mushrooms, spinach, tomato, etc.), garlic, etc.

Note: Nutrition Facts show information for filling of 1/6 cup spinach and 1/6 cup mushrooms.
